**Standing Hearing Officer: David Butler**

**DOCKET DESCRIPTION:**

**Duke Energy Carolinas, LLC's Application for a Certificate of Public Convenience and Necessity for the Provision of Steam (Heat) Service and for Approval of a Contract with Clemson University**

**MATTER UNDER CONSIDERATION:**

**Request for suspension or extension of intervention date**

**HEARING EXAMINER'S ACTION:**

**The intervention date of April 17, 2017 is hereby suspended until further notice. Counsel for Duke Energy Carolinas, LLC ("DEC") states by letter that there have been a number of comments and protests submitted regarding the Application in this Docket. Also, based on comments and sentiments expressed at a public forum held by DEC and Clemson University on April 10, 2017, DEC and Clemson, according to the letter, have agreed to reassess the location of the project that is the subject of this Docket. In conjunction with this reassessment, DEC is also planning to meet with representatives of Clemson to consider alternative locations.**

**DEC requests that, because of the circumstances described above, the intervention deadline be suspended or extended, so that all stakeholders and members of the community will have an opportunity to understand the result of the reassessment of the location of the project. DEC has stated good reasons for granting the requested relief, therefore, the intervention date of April 17, 2017 is hereby suspended until further notice.**
